

Renewable Electricity Contract

The E.ON logo is rendered in a bold, red, lowercase sans-serif font.

Declaration

Presented to:

Polypipe Limited

For choosing a REGO backed contract sourced by electricity generated from renewable sources between 1st October 2020 to 31st March 2023.

E.ON declares that it will procure sufficient electricity that meets E.ON's interpretation of the WRI GHG Protocol Scope 2 Guidance from renewable wind sources with zero carbon emissions to match your expected electricity demand.

Electricity generated from renewable wind sources to match your expected electricity consumption is provided to this site and 10 others.
